THIS AGREEMENT is entered into between the following Parties:

THE BISRA STONE LIME CO.LTD (BSLC) hereinafter referred to as **“ThePrincipal”** andM/S.....
hereinafter referred to as **“The Tenderer/Contractor”**

PREAMBLE

The principal intends to award, under laid down organizational procedures, a contract for “COMPOSITE CONTRACT FOR SUPPLY OF MINING AND TRANSPORTATION EQUIPMENTS ON HIRE BASIS FOR RAISING & TRANSPORTING OF 20,000 METRIC TONNE PER MONTH ROM LIMESTONE FROM GURPAHAR QUARRY TO FEED THE DEPARTMENTAL CRUSHER NO-4 AT PATPAHAR OF BSLC MINES, BIRMITRAPUR OF SUNDARGARH DISTRICT, ODISHA.

The principal values full compliance with all relevant laws of the land, rules, regulations, economic use of resources, and of fairness/transparency in its relations with its Bidder(s) and /or Contractor(s).
The principal will nominate an Independent External Monitor(s) (IEM(s)) by name at the tender stage/will appoint in case of receipt of any reference, from the panel of IEMs, for monitoring the tender process and the execution of the contract in order to ensure compliance with the Integrity Pact by all the parties concerned.

Section 1 – Commitments of the Principal:

- (1) The principal commits itself to take all measures necessary to prevent corruption and to observe the following principles: -
 - (a) No employee of the principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for self or for third person, any material or non-material benefit which the person is not legally entitled to.
 - (b) The Principal will, during the tender process treat all bidders with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidders the same information and will not provide to any Bidder confidential/additional information through which the Bidder(s) could obtain an advantage in relation to the tender process or the contract execution.
 - (c) The Principal will exclude from the process all known prejudiced persons.
- (2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the IPC/ PC Act, or if there be a substantive suspicion in this regard, the Principal will inform Chief Vigilance Officer of BSLC and in addition can initiate disciplinary action.

Section 2 – Commitments of the Bidder(s)/Contractor(s):

- (1) The Bidder(s)/ Contractor(s) commits to take all measures necessary to prevent corruption. He commits to observe the following principles during his participation in the tender process and during the contract execution.
 - (a) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal’s employees involved in the tender process or the execution of the contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract or to vitiate the Principal’s tender process or contract execution.
 - (b) The Bidder(s)/ Contractor(s) will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process or to vitiate the Principal’s tender process or execution of the contract.

- (c) The Bidder(s)/Contractor(s) will not commit any offence under the IPC / PC Act; further the Bidder(s)/Contractor(s) will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship regarding plans, technical proposals and business details including information contained or transmitted electronically.
- (d) The Bidder(s)/Contractor(s) of foreign origin shall disclose the name and address of the Agent(s)/representative(s) in India, if any. Similarly the Bidder(s)/Contractor(s) of Indian Nationality shall furnish the name and address of a foreign supplier/contract Agency, if any. Further details, as mentioned in the Guidelines on Indian Agents of Foreign “Suppliers/contract agencies”, shall be disclosed by the Bidder(s)/Contractor(s) wherever applicable. Further, as mentioned in the Guidelines, all the payments made to the Indian agent(s)/representative(s) have to be in Indian Rupees only. **Copy of the Guidelines on Indian Agents of Foreign “Suppliers/contract agencies” is enclosed.**
- (e) The Bidder(s)/ Contractor(s) will, when presenting his bid, disclose any and all payments he has made or committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.
- (f) The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3 – Disqualification from tender process and exclusion from future contracts:

- (1) A transgression is considered to have occurred, if the principal after due consideration of the available evidence, concludes that a reasonable doubt is possible.
- (2) If the Bidder(s)/Contractor(s), before award of contract or after award of contract has committed a transgression through a violation of Section 2 above or in any other form such as to put his reliability or credibility in question, the principal is entitled to disqualify the Bidder(s) from the tender process or to terminate the contract, if already awarded, for that reason, without prejudice to other remedies available to the principal under the relevant GCC of the tender/contract.
- (3) If the bidder/Contractor has committed a transgression through a violation of any of the terms under Section 2 above or in any other form such as to put his reliability or credibility into question, the principal is entitled also to exclude the bidder / Contractor from future tenders/Contract award processes. The imposition and duration of the exclusion will be determined by the principal keeping in view the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressors within the company hierarchy of the bidder /Contractor and the amount of the damage.
- (4) If it is observed after payment of final bill but before the expiry of validity of Integrity pact that the Contractor has committed a transgression through a violation of any of the terms under Section 2 above during the execution of contract, the principal is entitled to exclude the Contractor from future tenders/Contract award processes.
- (5) The exclusion will be imposed for a minimum period of six (6) months and a maximum period of three (3) years.
- (6) If the bidder / Contractor can prove that he has restored/ recouped the damage to the principal caused by him and has installed a suitable corruption prevention system, the principal may revoke the exclusion before the expiry of the period of such exclusion.

Section 4 – Compensation for Damages:

- (1) If the Principal has disqualified the bidder from the tender process prior to the award in accordance with Section 3 above, the Earnest Money Deposit (EMD)/Bid security furnished, if any, along with the offer as per the terms of the Invitation to Tender (ITT) shall be forfeited. This is apart from the disqualification of the Bidder as may be imposed by the principal as brought out at Section 3 above
- (2) If the Principal has terminated the Contract in accordance with Section 3 above, or if the principal is entitled to terminate the Contract in accordance with Section 3 above, the Security Deposit/performance bank guarantee furnished by the Contractor, if any, as per the terms of the ITT/Contract shall be forfeited

without prejudicing the rights and remedies available to the principal under the relevant General conditions of contract. This is apart from the disqualification of the Bidder, as may be imposed by the principal, as brought out at Section 3 above.

Section 5 – Previous transgressions:

- (1) The Bidder declares that, to the best of his knowledge, no previous transgressions occurred in the last five (05) years with any Company or Organization or Institution in any country or with any Government in any country conforming to the anti- corruption approach that could justify his exclusion from the tender process.
- (2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process. The contract, if already awarded, can be terminated for such reason.

Section 6 – Equal treatment of all Bidders / Contractors / Sub-Contractors:

- (1) The Bidder(s)/Contractor(s) undertake to demand from all his Sub-Contractors a commitment in conformity with this Integrity Pact, and to submit it to the principal before seeking permission for such subcontracting.
- (2) The principal will enter into agreements with identical conditions as this one with all Bidders and Contractors.
- (3) The principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

Section 7 – Criminal charges against violating Bidder(s) /Contractor(s)/ sub-Contractor(s):

If the Principal obtains knowledge of conduct of a Bidder, Contractor, Sub-Contractor or of any employee or a representative or an associate of a Bidder/Contractor/Sub-Contractor which constitutes corruption, or if the principal has substantive suspicion in this regard, the principal will inform the same to CVO of BSLC.

Section 8 –Independent External Monitor(s)(IEM(s)):

- (1) The principal appoints competent and credible Independent External Monitor(s) with clearance from Central Vigilance Commission & Transparency International (India). The IEM(s) reviews independently, the cases referred to him/them to assess whether and to what extent the parties concerned comply with the obligations under this Integrity Pact,
- (2) In case of noncompliance of the provisions of the Integrity pact, the complaint/noncompliance is to be lodged by the aggrieved party with the Nodal Officer only appointed by CMD/BSLC. The Nodal Officer shall refer the complaint / non-compliance so received by him to the IEM, already appointed or to be appointed for that case.
- (3) The IEM is not subject to instructions by both the parties and performs his functions neutrally and independently. The IEM(s) will submit report to the CMD, BSLC.
- (4) The Bidder(s)/Contractors(s) accepts that the IEM has the right to access without restriction, to all tender/contract documentation of the principal including that provided by the Bidder/Contractor. The Bidder/Contractor will also grant the IEM upon his request and demonstration of a valid interest, unrestricted and unconditional access to his tender/contract documentation. The same is applicable to Sub Contractors also. The IEM is under contractual obligation to treat the information and documents of the Bidder(s)/ Contractor(s)/Sub Contractor(s) with confidentiality.
- (5) The principal will provide to the IEM sufficient information about all meetings among the parties related to the tender/contract for the cases referred to IEM, provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the IEM the option to participate in such meetings.
- (6) As soon as the IEM notices, or believes to notice, a violation of this pact, he will so inform the principal and request the principal to discontinue or take corrective action or to take other relevant action. The IEM can in this regard submit non-binding recommendations. Beyond this, the IEM has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.

- (7) The IEM will submit a written report to the CMD, BSLC within four (04) to six (06) weeks from the date of reference or intimation to him by the principal and, should the occasion arise, submit proposals for corrective actions for the violations or the breaches of the provisions of the agreement noticed by the IEM.
- (8) IEM may also submit a report directly to the CVO of BSLC and the Central Vigilance Commission, in case of suspicion of serious irregularities attracting provisions of the IPC/ PC Act.
- (9) Expenses of IEM shall be borne by BSLC as per terms of appointment of IEMs.
- (10) The word '**Monitor**' means Independent External Monitor and would include both singular and plural.

Section 9 – Duration of the Integrity Pact:

- (1) This Pact comes into force upon signing by both the Principal and the Bidder/Contractor. It expires for the Contractor twelve (12) months after the last payment under the contract, and for all unsuccessful Bidders, six (06) months after the contract has been awarded and accordingly for the principal after the expiry of respective periods stated above.
- (2) If any claim is made/ lodged during the valid period of the IP, the same shall be binding and continue to be valid even after the lapse of this pact as specified above, unless it is discharged/determined by CMD of BSLC.

Section 10 – Other provisions:

- (1) This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the principal, i.e. Bhubaneswar, State of Odisha, India.
- (2) Changes and supplements as well as termination notices need to be made in writing. Side agreements to this pact have not been made.
- (3) If the Contractor is a partnership firm/ consortium, this agreement must be signed by all partners/ consortium members, or their Authorized Representative(s) by duly furnishing Authorization to sign Integrity Pact.
- (4) Should one or several provisions of this agreement turnout to be invalid, the remaining part of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
- (5) Wherever he or his is indicated in the above sections, the same may be read as he/she or his/her, as the case may be.

PRICE ADJUSTMENT DUE TO VARIATION

1. The Base Date of the Contract Price is _____ (last date of submission of tender or last date for submission of Revised Price Bid, if any, whichever is later).
2. Change in price will be given on account of change in price of diesel and rate of minimum wages as per the formula given below. This Escalation/de-escalation effect will be given to the original awarded rate. The escalation bills will be processed monthly.

2.1. For Diesel

$$V = [0.20 \times (Pr - Pb) \times R] / Pb$$

Where V= Escalation/de-escalation in awarded Rate/unit on account of change in price of Diesel.

0.20 = Diesel component in the awarded job

Pr=Revised rate of diesel on the 1st day of the Month.

Pb=Rate of diesel on Base Date (as on date of opening of the price bid).

R= Gross value of work done on the basis of contract rates for the period for which variation is applicable.

2.2. For Minimum Wages:-

In case of any statutory revision in the minimum wages payable to contract workmen as notified by the Regional Labour Commissioner (Central), Bhubaneswar Escalation shall be paid as per the following formula:

$$V = 0.10 \times W \times (Xr - Xo) / Xo$$

Where:

V= Escalation/de-escalation in awarded Rate/unit on account of change in Minimum Wages.

0.10 = Labour component in the awarded job

W = Gross value of work done on the basis of Contract rates during the month.

Xr= Revised Weighted Average Minimum Wages as on 1st day of the month (for Unskilled, Semi-skilled and Skilled categories of Workers) based on the minimum wages as notified by the Regional Labour Commissioner (Central), Bhubaneswar

Xo = Existing (on the basis which tender estimate is prepared) Weighted Average of Minimum Wages on the Base Date (opening of price bid) for Unskilled, semi-skilled and skilled categories of workers and which is based on the minimum wages notified by Regional Labour Commissioner (Central), Bhubaneswar.

NB: Labour component is 0.10 or actual wages paid as per wage sheet whichever is lower.

3. Explosive :-

Explosive will be supplied by the company and the cost of explosive plus Service charges @ 17.5 % plus GST as applicable will be borne by the Contractor.

In case of any change in explosive cost, the Escalation shall be paid as per the following formula:

$$V = 0.10 \times W \times (Er - Eo) / Eo$$

Where:

V= Escalation/de-escalation in awarded Rate/unit on account of change in Explosive cost

0.10 = Explosive component in the awarded job

W = Gross value of work done on the basis of Contract rates during the month.

Er= Revised Explosive cost as on 1st day of the month

Eo = Existing cost of explosive (As on the date of submission of tender)

4. EFFECTIVE DATE:

- 4.1. **Revision on a/c of wages:** - If the minimum wage rate is revised on the first day of a month, escalation /de-escalation effect shall be given effect for the whole month; otherwise, effect will be given from the following month

Revision on a/c of Diesel: - Since the diesel price is changing frequently in a month the escalation/de-escalation of diesel rate shall be given as and when the diesel rate changes. Accordingly, the escalation bill will be submitted showing the diesel price on daily basis in the bill.

In case of any statutory revision in Minimum Wages payable to Contract Workmen as notified by the Regional Labor Commissioner (Central), Rourkela from time to time, the above recovery amounts for workman category-wise will be revised by BSLC, and will be notified accordingly.
- ii) Payment against the above components is to be made to the workmen based on the effective wages of **last drawn pay**
- iii) The actual amount payable to each workman shall not be less than that provided in Industrial Disputes Act & Central rules and / or Contract Labor (Regulation & Abolition) Act & Central Rules and payment of Bonus Act (whichever is applicable).

19.0 **REMEDIES AND POWERS:**

19.0 **Termination of Contract by the Employer:** If the Contractor becomes bankrupt or have a receiver's order made against him or presents his petition in bankruptcy or makes an arrangement in favor of his creditors or agrees to carry out the contract under a committee of inspection of his creditors or (being a corporation) goes into liquidation (other than a voluntary liquidation for the purpose of amalgamation or reconstruction) or if the Contractor assigns the Contract without the consent in writing of the Employer first obtained or if the supplies under the Contract have been attached under an order of a Court of Law for any default of the Contractor or if the Mines Manager certifies in writing to the Employer that in his opinion the Contractor:

- a) has abandoned the Contract, or,
- b) has failed to execute the work with due diligence or expedition, or,
- c) refuses or neglects to comply with any repeated orders of at least 03 times given to him in writing by the Business Head in connection with the work, or,
- d) has contravened the provisions in the Contract including timely supply of equipment, Mining, generation of desired output as per the tender specifications, or,
- e) has failed to remove the materials from the site or to pull down and replace the work within 14 days after receiving from the Mines Manager's written notice that the said materials or work have been condemned and rejected by the Manager, or,
- f) is not executing the works in accordance with the Contract or is persistently or flagrantly neglecting to carry out his obligations under the Contract, or,
- g) has to the detriment of good workmanship or in defiance of the Manager's instructions to the contrary sub-contracted or assigned any part of the Contract, or,
- h) has contravened any Mines safety regulation or environmental regulations or Labor regulations in vogue from time to time,

the Employer, after giving Fifteen (15) days' notice in writing to the Contractor may terminate the Contract at the Risk and Cost of the Contractor. After the expiry of the fifteen (15) days, the Manager shall then enter upon the site and the Works and expel the Contractor there from, without releasing the Contractor from any of his obligations or liabilities under the Contract and without affecting the rights and powers conferred on the Employer or the Engineer by the Contract.

19.1 The termination of the Contract as stated above may be either for whole or part of the Contract at the Employer's option. In the event of the Employer terminating the Contract in the whole or in part, BSLC may engage alternate contractor/contractors on such terms

and in such manner as it deems appropriate, to the extent possible to be executed by any other Contractor to get the desired output of targeted quantity. The Contractor shall be liable to pay to the Employer any extra amount incurred or to be incurred by the Employer by engaging alternative Contractors. Such recovery however shall not absolve the Contractor from his obligations under the Contract; to the extent it is not terminated.

19.2 Payment for un-lifted sized Limestone to the crusher as on the date of termination of Contract:

The Engineer/Manager (Mines) after the termination of Contract will assess the quantity of sized Finished Products (-300mm) produced by the Contractor at the mines without lifting to the crusher, the payment for the same will be 50% of the rates of the Contract.

- 19.3 **Termination of Contract by the Contractor:** If the Employer commits any act of Insolvency or if the Employer shall be adjudged an insolvent or shall make an assignment or composition for the benefit of the greater part in number or amount of his Creditors or shall have an order made against him or pass an effective resolution of winding up either compulsory or subject to the supervision of the court or voluntarily or if the official assignee of the Employer shall repudiate the Contract or if the official assignee or the liquidator in any such winding up shall be unable within 14 days after notice to him requiring him to do to show to the reasonable satisfaction of the Contractor that he is able to carry out and fulfill the Contract and to make all payments due and to become due there under and if the work be stopped for three months or more at a stretch under the order of the Engineer or by an injunction or other order of any court of law for reasons not attributable to the Contractor then and in any of the said cases the Contractor subject to provision contained in Clause 16.3 hereof shall be at liberty to determine the Contract by notice in writing to the Employer through the Engineer/Manager (Mines)/Business Head and he shall be entitled to recover from the Employer payment for all the finished products (sized Limestone/Dolomite) as per the Tender/Contract/Agreement/LOA/Work Order.

In arriving at the amount of such payment, the rates contained in the Contract shall be followed. Provided always the Employer shall not be liable for payment of any claims or losses arising on account of suspension or stoppage of work under force majeure circumstances beyond the sum payable for the work already executed. No payment will be made whatsoever towards cost of any Equipment & Machineries etc., thereof, which will be the property of the Contractor.

20. FORCE MAJEURE:

20.0. If at any time during the continuance of the Contract, the performance in whole or in part by either party or any obligations under the Contract shall be prevented or delayed by reason of

any war, hostilities, act of public enemy, civil commotion, sabotage, fire, floods, explosions, epidemics, quarantine restrictions ,strike, lock-out, restriction of electrical power, judicial pronouncements, Statutory Notifications/Orders, any order from Statutory Authority or Indian Railways preventing /restricting the mining, production & dispatch of minerals and Acts of God (hereinafter referred to as 'Events') and provided notice of the happening of any of the above mentioned Events duly certified by Competent Authority in case Events occur in India is given by either party to the other within twenty-one (21) days from the date of occurrence thereof, the Employer shall have the right by reason of such Events to terminate the Contract without however, affecting the right to any claim for damages on the Contractor in respect of such non-performance or delay in performance. However, in the event of the Employer having agreed, the generation of finished products under the Contract shall be resumed after such Events have come to an end/ceases to exist. Should one or both the parties be prevented from fulfilling their contractual obligations by a state of force majeure lasting continuously for a period of at least four (4) months and the Employer not having terminated the Contract by that time, the two parties should consult each other regarding the further implementation of the Contract. If no mutually satisfactory arrangement is arrived at within a period of two (2) months from the expiry of four (4) months referred to above, the Contract shall be deemed to have expired at the end of the six (6) months starting from the date of commencement of Force Majeure date. The above-mentioned expiry of the Contract will imply that both the parties have obligations to reach an agreement regarding the winding up and financial settlement of the Contract.

20.1 No payment will be made whatsoever towards cost of any Equipment, Machineries etc., thereof, which will be the property of the contractor.

20.2 The above-mentioned force majeure Events shall not include constraints which could prudently be foreseen like shortage of power, non-availability of raw materials, difficulties in making transport arrangements etc.

20.3 The above-mentioned force majeure Events shall not also include similar events happening in the works of the sub-Contractors / suppliers etc., of the Contractor.

20.4 The Contractor shall resume the work as soon as practicable after such eventuality has ceased to exist of which the Company shall be sole judge.

21.0 RIGHTS OF EMPLOYER TO VARY AND/OR ALTER THE SCOPE OF THE CONTRACT:

- 21.1** The Employer shall have right to vary and/or alter the extent, scope and/or technical parameters of the Work, provided that such variations and/or alterations fall within the general scope of Work and the Contractor shall be bound thereby.
- 21.2** Any amount to be allowed in respect of such variations and/or alterations effected by the Employer under this Clause shall be added to or deducted from the Contract Price as the case may be. The Employer may call for documents, vouchers, analysis, etc. of such works and the Contractor shall forthwith furnish the same to fix up the value of such works which shall be mutually agreed upon.
- 21.3** The Employer may at any time temporarily stop the Work under the Contract or any part thereof by notice in writing to the Contractor. All Work so stopped shall be resumed by the Contractor based on a schedule to be mutually agreed upon between the Employer and the Contractor.
- 21.4** The Employer will not pay the Contractor for any work done during the period of such temporary stoppage and the Employer will not be liable to the Contractor for any damages or loss caused by such stoppage.

22.0 LIMITATION OF LIABILITY / INDIRECT CONSEQUENTIAL DAMAGES

- a) The Contractor shall not be liable for any indirect consequential losses and
- b) The aggregate liability of the Contractor to the Employer, whether under the Contract, in tort or otherwise, shall not exceed the total consideration arrived at by multiplying the contracted item rate/rates with the volume of finished products generated (as per the specifications given in the tender document) which will be restricted to total Contract Price, with applicable price variation, if applicable as per Clause No.17.7.

However, in cases of criminal negligence or willful misconduct, limitation of liability mentioned above shall not apply and the entire liability shall be borne by the defaulting party and it shall include consequential losses.

23.0 SETTLEMENT OF DISPUTES & ARBITRATION:

23.1 **Disputes to be finally determined by the Engineer/Mines Manager/Business Head:** In case of any difference of opinion with respect to the decisions, opinions, directions, order, certificates or valuation of the matters or any part of the matters under the Contract, the matter should be mutually settled and the decision of Business Head will be final. However, if the decision is not acceptable to the Contractor, this may be settled through Arbitration with the approval of Managing Director of BSLC.

23.2 Settlement of Disputes by Arbitration: If any dispute is not settled amicably between the Contractor and Business Head of BSLC as per Clause No.26.1, then, all such disputes and differences whatsoever arising between the parties out of or relating to the Contract, meaning and operation or effect of this Contract or the breach thereof shall be settled by Arbitration. Each party shall appoint its arbitrator; the two arbitrators so appointed shall appoint the third arbitrator who shall be the presiding Arbitrator. The arbitration shall be governed by the provisions of Arbitration and Conciliation Act 1996 and the statutory modifications to the said Act. The award made in pursuance thereof shall be binding on the parties.

The further progress of any work under the Contract shall unless otherwise directed by the Engineer /Manager (Mines) / Business Head Continue during the Arbitration proceedings and no payment due or payable by the Employer shall be withheld on account of such proceedings. It shall not be open to Arbitrators to consider and decide whether or not such work shall continue during the Arbitration proceedings.

Provided further that no reference to Arbitration whether the Final Bill for the work has been passed or not shall be made later than 6 months from the date of satisfactory completion of the work under the Contract.

No Interest Shall be awarded By the Arbitrator in any arbitration proceedings.

The Arbitrator's fee, expenses and all other costs and other expenses relating to the holding of arbitration shall be borne by both the parties equally. However, the fees and expenses of the advocates and expenses relating to the presentation of witnesses shall be borne by the respective parties. Should the arbitrator give specific award in respect of costs then it would prevail.

The Arbitration bench shall make a reasoned award.

The venue of Arbitration shall be at BSLC, Kolkata, India.

In case the Contractor is Government of India Undertaking or any Government Department, dispute between the Contractor and the

Employer in respect of this Contract shall be settled in accordance with the procedure laid down from time to time by Department of Public Enterprises (DPE)/Government of India from time to time.

24.0 NON-WAIVAL OF DEFAULTS:

- 24.1 Failure of the Employer to insist upon strict performance of any terms and conditions of the Contract will not be deemed a waiver of any rights or remedies that the Employer may have and will not be deemed a waiver of any rights for any subsequent default under the terms and conditions of the Contract. No right or remedy of the Employer will be exclusive of any other right or remedy and Employer will have all rights and remedies given under the Contract and in law or by statute in force and amendments thereto. The execution by the Contractor or receiving of or payment by the Employer for the job under this Contract will not be deemed a waiver of any rights for any prior failure by the Contractor to comply with any of the provisions of the Contract.

25.0 FINAL BILL / LAST MONTH'S BILL

Final Bill / Last Month's bill for the work done will be recommended by Engineer / Manager (Mines) for release of payment excluding Security Deposit after certification that, the Contractor has fulfilled all the contractual obligations and has complied with all the liabilities with respect to provident fund, minimum wages, bonus, retrenchment benefits, and adequate compensation towards accidental injuries / death etc., to the respective workmen engaged by the said agency. Final Bill / Last Month's bill will be released by Finance Department within 90 days of receipt of completed set of certified bills. Security Deposit will be released after completion of 180 days from the completion of contract period.

26.0 RISK & COST:

In the event of failure to fulfill the contractual obligations as per Work Order/Agreement /Contract, the Company reserves the right to make the contractual obligations carried out by alternative arrangement at the sole Risk and Cost of the Contractor and the Company shall recover from the Contractor any additional cost involved therein or losses suffered due to the fault or negligence of the Contractor. The Security Deposit amounts of the agency shall be liable to be forfeited in case of failure to execute/complete the job as per Contract Agreement/contractual terms & conditions within Contract period or within such extended period approved by the management.

(Note: Submission of any forged /fake document(s) will attract legal action including rejection of tender or cancellation of contract at the risk and cost of the contractor if awarded and forfeiture of EMD / Security Deposit).

SPECIAL CONDITIONS OF CONTRACT

TECHNO-COMMERCIAL (PART-I)

TENDER NOTICE NO: BSLC/MINING/2023-24/JOB NO.07 DATED: -12/10/2023.

1. SCOPE OF WORK:

Mining: -

- a) The Contractor has to carry out the mining activities like removal of Overlain & intercalated waste, raising & transporting of Limestone (ROM) from the specified area of BSLC Mines, The Contractor shall raise and transport 20000 MT of ROM limestone **(-300mm size)** per month to feed BSLC existing Crusher no-4 from Gulpahar quarry by deploying required mining and transportation equipments. In case of breakdown of crusher, power cut etc. the contractor shall stack ROM Limestone near crusher stock/platform of BSLC crusher for subsequent feeding by the contractor during crusher operation.
- b) If required, the Tenderer may be asked to increase/ decrease the quantity up to 25 % at the existing rate, terms and conditions within the contract period with prior intimation of 30 days. Accordingly, the Contractor may be asked to mobilize resources from the date of such intimation. However, no extra payment will be entertained against such mobilization of resources towards enhancement of production.
- c) The Contractor has to carry out the removal of soil, spoil, *morrum* etc around 24, 000 Tons (16, 000m³) per annum and intercalated waste etc around 24,000 MT per annum. The O.B. & intercalated waste generated during mining shall be dumped in the specified dumping zone within the radius of 2.0 KM as per IBM and DGMS Guidelines. However, before dumping, intercalated waste shall be weighed in the nearby weighbridge.
- d) The contractor will assist BSLC by providing necessary equipment for carrying out drill holes under the supervision of Mines Manager/ Site engineer.
- e) Explosive will be procured by the company & Blasting shall be undertaken by the Company's Statutory Person only. The Company does not bind itself for compensating the Contractor for any idle hours that may result owing to circumstances beyond its control in carrying the blasting operations by the company. The contractor shall ensure that his employees and representatives including him shall take effective shelter away from "Danger Zone" during the time of blasting as per advice of Company's Statutory person. Safety and protection of all plants, equipment, works fittings, appliances etc., shall be ensured by the Contractor during blasting operations as well as during Mining, Loading and Transporting and other allied activities.
- f) Breaking of oversized boulders should be done by Rock Breaker only up to 300 mm size. Secondary Blasting shall not be allowed for breaking of oversized boulders. If any oversize boulder shall come to the crusher stack yard, then the agency shall size the boulder by manual or mechanical means. Lifting of the accepted quality of ROM Limestone ore (-300 mm) size duly certified by the Mines Manager/ Engineer or his authorized representative from mines & transporting to Departmental crusher after due weightment through weighbridge and maintaining necessary records (Challans & Registers) based on the actual quantity carried by each tipper will be certified by the Mines Manager/ Engineer or his authorized representative on regular basis. Tenderer has to make weightment through existing 50 MT weighbridge. In case of breakdown of weighbridge, the weightment shall be calculated on average weightment of previous 7 working days.

- g) Before deployment of dumper / tipper in the mine, contractor shall get the dumpers / tippers inspected by the Mines Manager/Engineer or his authorized representative for its road worthiness and submit all valid documents. No dumper / tipper shall be deployed in any work without permission of the Mines Manager/ Engineer.
- h) Contractor shall maintain systematic benches, mine faces, all roads, footpaths in the quarry, natural drainage and dump yard in workable and safe conditions as per provisions of Mines Act 1952, Mines Rule 1955& MMR 1961 at his own cost.
- i) The Contractor has to make and maintain service roads from pit-heads to the different sites at his own cost.
- j) The contractor shall be responsible for **de-watering** of water-logged area in the quarry within 02 months of issuance of LOI. The agency has to install Electric pump of at least 250 cu.m. per hour discharge capacity. Electricity will be provided by BSLC from its nearest source on chargeable basis. All accessories including Energy meter and Flow meter, related to pumping operation will be provided & installed by the agency. In case of breakdown of Energy meter & Flow meter average reading of previous 7 running days will be taken for calculation. To repair the breakdown of Energy meter & Flow meter, max 7 days will be allowed, otherwise pump operation will not be allowed. Proper records of dewatering shall be maintained in Log book regularly for billing purpose.
- k) After dewatering of initial quantity of 1,50,000Cu.M (+/- 20 %) of water in water locked area, if rain water, water from surface depressions and shallow nallahs in and around the trench and/or any other source may be encountered during course of mining, contractor shall make his own arrangement for diverting such water when such exigencies arise and as directed by Mines Manager/Engineer or his authorized representative. Mines area shall be supported with suitable sump by the agency for collecting rain water and any seepage or percolation of ground water. Selection of sump sites will be decided by the Mines Manager / Engineer or his authorized representative. The Agency will ensure to clear the water from mines all the time to maintain the quality production from bottom benches at his own cost. The Agency shall make the quarry clean of water before completion of contract period. If the agency will not do the dewatering of accumulated water during mining and before completion period of contract, then the said job shall be done as per risk and cost clause of GCC.
- l) Programme of blasting may be obtained by the Contractor from the Mines Manager / Engineer or his authorized representative in order to regulate his work for production of ROM, clearing of faces and carrying out subsequent operation viz. sizing, sorting etc.
- m) Watching and Lighting: The Contractor shall in connection with the mining and allied activities will provide lighting, guarding, watchmen to protect and warn the public and watching of all the works at the site and when & where necessary as decided by the Engineer/Manager (Mines) or any competent, statutory or other authority for the protection of the works or for the safety and convenience to the public or others at his own cost. The lighting in and around the work spots shall be arranged for sufficient illumination as per Statute (including directions from DGMS).
- n) Agency shall keep records (Challans) of Finished Products lifted from the mines to crusher through BSLC weighbridge duly certified by Mines Manager /Engineer and payment will be made to the agency on the basis of such records. The Company will not be liable for any compensation for delay due to non-availability of any resources or inability to lift the finished material to the crusher.
- o) The tenderer shall make own security arrangement for safety and security of his men, machineries & equipment, at his own cost.
- p) The tenderer shall make own arrangement for Insurance of men and machines engaged by him.
- q) The analysis results of samples drawn at the respective locations of BSLC shall be final and binding on the contractor. Any oversize material or any variation in Size (Physical & Chemical Specification as given below) will be recovered from the bills of the Contractor.

- r. The Agency has to install a Pit less Electronics Weigh Bridge of 60 Tons capacity with Auto printing facility near Crusher no-4, at his own cost for keeping record. The Agency has to complete the installation of WB within 2 months of issuance of LOI. During the period of installation of WB, ROM and other materials will be measured on volumetric basis, which will be converted to Tons (1 CuM = 1.5 Tons). The above WB will be operated by BSLC, but the maintenance, repairing, stamping etc. will be done by the Agency. The breakdown WB shall be repaired by the Agency within 7 days.**After completion of contract, the Agency will take away the above weigh bridge.**
- s. The Agency has to supply manpower (Welder -4 no & Labor – 9 no) at crusher no-4 at Patpahar for day-to-day welding & spillage cleaning work. The Agency shall pay minimum wages as per govt Rules to the persons deployed for the above day to day work.

2. SPECIFICATIONS OF PRODUCTS: -

Physical Specification:

SI No.	Product Description	Nomenclature
1	ROM Limestone of Maximum 300 mm size.	Limestone Boulder

Chemical Specification;

Limestone: -CaO-45%(Minimum),SiO₂- 6.5%(Maximum),MgO -3.5 %(Maximum)

NOTE:

1. Payment will be released against actual lifting of finished product as mentioned above.
2. No payment will be released for the rejects/finished products which do not meet the required Physical & Chemical specifications as mentioned above.

3. AREAS OF OPERATION:

The proposed Mining area, respective production and shifting to particular crusher as mentioned in the following table:

Proposed mining area	Production target/month	Transport to crusher no.	Lead distance
Gurpahar Quarry, Birmitrapur, Sundergarh District, Odisha	20,000 MT.	Crusher no.-4	02km (One side)

Note: Initially production shall be started from the upper benches and simultaneously dewatering job shall be carried out to open up the lower benches for production later on for maintaining the quality of Limestone

The proposed Mining area will be shown by the Manager (Mines) or his authorized representative. The mining operation shall be done as per the Mining Plan /Scheme of Mining approved by IBM. The production of ROM should confirm physical/chemical specification as specified in the tender document and certified by Manager (Quality Control).

4. WORKING HOURS

The working hours at mines shall be in two shifts i.e from **6 A.M to 2 P.M** and from **2 P.M to 10 P.M** on all the working days except Sundays and Holidays. On Sundays/Holidays, the job shall have to be done by the tenderer as per the requirements which shall be at the discretion of BSLC. No extra cost shall be paid by BSLC for such work on Sundays/Holidays.

5. PERIOD OF CONTRACT:

The period of Contract will be initially for 12 (Twelve) months from the date of LOI which may be extended up to 06 (Six) months on sole discretion of BSLC on the same rate, terms and conditions. However, BSLC reserves the right to foreclose the contract any time during the subsistence of the Contract by giving two month's notice in writing to the Contractor.

6. MAINTENANCE OF HINDRANCE REGISTER.

The contractor shall maintain the Hindrance Register regarding reasons for shortfall of Production which will be signed by contractor representatives and Engineer or his representative on daily basis.

7. METHOD OF SAMPLING & ANALYSIS:

For Limestone ROM (-300mm) the quality analysis report conducted by BSLC shall be the basis for recovery of penalty, if any, from the payment of the bills of the Contractor.

8. LOCAL CONDITIONS:

The Contractor shall visit the site(s) and ascertain local conditions, traffic restriction, facilities for drainage on site, obstruction in the area and all other factors likely to affect the rate to be quoted by him. Contractor shall be deemed to have quoted for the incidence of extra cost, if any, due to such site conditions and other factors, if any.

BSL shall not entertain any complaints regarding bad working conditions such as roads, inundation due to water etc.

The Contractor should ensure that the materials loaded/ transported by him to the specified places do not interfere / hamper the production process of the mine or working of BSLC.

9. DEPLOYMENT OF EQUIPMENT:

9.1. Indicative / likely equipment required for executing the entire job as per the quantities mentioned in Scope of Work are as under:

Sl. No	Equipments	No	Capacity
I.	Excavator	1	0.9m ³
II.	Rock Breaker	1	50 TPH
III.	Dumpers(10 wheels)	3	16 MT
IV.	Integrated Crawler Drill DTH 100 mm Dia	1	15mtr/hr
V.	Pay Loader	1	1.75 m ³
VI.	Pit less Electronics Weigh Bridge	1	60 Tons
VII.	Pump	1	25 HP

9.2. All the Tippers / dumpers and equipment, deployed for the work must be fully insured and must have fitness certificate, road permit, tax token, Pollution clearance etc., issued by the road transport authorities i.e., Regional Transport Officer(RTO)Rourkela and shall comply the provisions as per DGMS Guide lines.

9.3. The Company shall have no responsibility for any loss or damage caused to the tippers/dumpers/ excavators/drill/compressor/vehicles / and allied machineries for any reason whatsoever.

9.4. All the equipments deployed by the agency shall not be more than 4 years old from the

date of submission of tender.

10. NORMS OF MEASUREMENT, TERMS OF PAYMENT AND SETTLEMENT OF BILLS

a)

- The unit of measurement of work done will be in Metric Tonne of finished products i.e. -300 mm size Limestone boulder lifted from mines to Dept. Crusher no -4, which will be weighed at Weighbridge near crusher no-4.
- The unit of measurement of O.B shall be in Cu.m. measured in volumetric calculation, which will be converted to Metric Tons(1 CuM= 1.5 Tons) & intercalated waste will be weighted in Tons for payment.
- The unit of measurement of discharge water from water logged quarry shall be in Cu.M.

- b) "On Account Bill" Payments: The Contractor shall submit On Account Bills at the office of Business Head in the 1st week for the work done during previous month showing the value of the job done up to the end of the month, accompanied by supporting documents like invoices and statement showing date-wise lifting particulars.
- c) Payment in terms of the Contract shall be due and payable by the Employer on the thirtieth (30th) day of receipt of each "On Account Bill" supported with all the requisite documents as per the Appendix-12. However, no interest shall be paid for any delay in payment of "On-Account-Bills."
- d) Payment shall be made through Electronic Payment Mode and advice will be made to the Contractor accordingly. The Contractor should intimate discrepancies, if any, within 10 days from the date of receipt of such advice, failing which it shall be presumed that the funds have reached to bank account of the Contractor and no claims will be entertained after the said 10 days.
- e) All payments shall be made as specified in Clause 20.0 of GCC directly by the Employer to the Contractor unless otherwise provided in the Contract.
- f) The Employer shall release the value of certified bills towards lifting of finished products lifted from mines to crusher through e-payment to the Contractor on the thirtieth (30th) day on receipt of Invoice along with relevant documents complete in all respects as mentioned in the Clause No.20.0 duly certified by Engineer/ Manager (Mines) in respect of "On - Account Bills".
- g) In accordance with the provisions of Clause 20.0 of GCC, the Employer shall pay the Contractor, on the basis of the price break-up given in the Price Schedule (ref. Appendix-13).
- h) The Contractor shall reimburse the Employer all costs, charges, damages or expenses which the Employer may have paid or incurred, if and to the extent to which the Contractor is liable under this Contract. Such payments shall be made by the Contractor within thirty (30) days upon written request of the Engineer, failing which such costs, charges, damages or expenses shall be deducted by the Employer from any money due or becoming due by the Employer to the Contractor under this Contract or any other Contract, failing which such amounts shall be considered as debt from the Contractor to the Employer and shall be recoverable accordingly.
- i) Payment will be released on monthly basis against the total quantity (in metric tonne) of finished products as per the physical specifications lifted from the mines to Crusher through Weighbridge. No payment will be made for the products generated which are not as per the specification.
- j) The monthly bill will be checked & verified on the basis of following statements:
- i) Challan copies and copy of Output Stock Register signed by the concerned in-charge of BSLC for transporting of material from mines to Crusher.
 - ii) Certified copies of paid Wage Sheet & paid PF Challan.
 - iii) Copy of GST paid Challan duly certified by Finance Department and P.F. Challans duly certified by Personnel Department.
 - iv) Certificate from the Personnel Department that the labour strength shown in the Paid Wage Sheet, Form-A& D as per Mines Act, 1952 conforms with Paid PF Challans.

- k) Payment will be made after deduction of TDS & Penalties, etc., if any, as approved by The Business Head.
- l) GST, if applicable, shall be reimbursed extra on the bill value at applicable rate, against submission of proof of payment.
- m) Last Month's Bill/Final Bill will be recommended for release of payment by Business Head for release of payment (excluding Security Deposit) certifying that, the Agency has complied with all the liabilities with respect to provident fund, minimum wages, bonus, retrenchment benefits, and adequate compensation towards accidental injuries / death etc., if any, to the respective workmen engaged by the said agency. Final Bill/ Last Month's bill will be released within 90 days of receipt of completed set of certified bills. Security Deposit will be released after completion of 180 days from the completion of contract period after submission of "No Due Certificate" by the Contractor.

11. ELIGIBILITY CRITERIA:

As per Annexure-I of DNIT.

12. EVALUATION OF THE BIDS:

12.1. PART-1-TECHNO COMMERCIAL BID

Parties who fulfill all the requisite conditions of Eligibility Criteria, will be construed as Technically Qualified and will be considered for opening of Part-II of Bids i.e., Price Bid.

14: - PRICE VARIATION (ESCALATION/DE-ESCALATION)

A. Escalation / De-escalation

Escalation/de-escalation will be given on account of changes in price of diesel and rate of minimum wages as per the formula given below. This Escalation/de-escalation effect will be given to the original awarded rate. The escalation bills will be processed in every six months.

For Diesel

$$V = [0.20 \times (Pr - Pb) \times R] / Pb$$

Where V= Escalation/de-escalation in awarded Rate/unit on account of change in price of Diesel.

0.20 = Diesel component in the awarded job

Pr=Revised rate of diesel on the 1st day of the Month.

Pb=Rate of diesel on Base Date (as on date of opening of the price bid).

R= Gross value of work done on the basis of contract rates for the period for which variation is applicable.

For Minimum Wages:-

In case of any statutory revision in the minimum wages payable to contract workmen as notified by Labour Dept. Govt. of India, Escalation shall be paid as per the following formula :

$$V = 0.10 \times W \times (Xr - Xo) / Xo$$

Where :

V= Escalation/de-escalation in awarded Rate/unit on account of change in Minimum Wages.

0.10 = Labour component in the awarded job

W = Gross value of work done on the basis of Contract rates during the month.

Xr= Revised Weighted Average Minimum Wages as on 1st day of the month (for Unskilled, Semi-skilled and Skilled categories of Workers) based on the minimum wages as notified by Labour Dept. Govt. of India,
Xo = Existing (on the basis which tender estimate is prepared) Weighted Average of Minimum Wages on the Base Date (opening of price bid) for Unskilled, semi-skilled and skilled categories of workers and which is based on the minimum wages notified by Labour Dept. Govt. of India.

NB: Labour component is 0.10 or actual wages paid as per wage sheet whichever is lower.

15 . EXPLOSIVE

Explosive will be supplied by the company and the cost of explosive plus Service charges @ 17.5 % plus GST as applicable will be borne by the Contractor.

In case of any change in explosive cost, the Escalation shall be paid as per the following formula:
