22.0 **REMEDIES AND POWERS:**

22.1 **Termination of Contract by the Employer:** If the Contractor becomes bankrupt or have a receiver's order made against him or presents his petition in bankruptcy or makes an arrangement in favour of his creditors or agrees to carry out the contract under a committee of inspection of his creditors or (being a corporation) goes into liquidation (other than a voluntary liquidation for the purpose of amalgamation or reconstruction) or if the Contractor assigns the Contract without the consent in writing of the Employer first obtained or if the supplies under the Contract have been attached under an order of a Court of Law for any default of the Contractor or if the Mines Manager certifies in writing to the Employer that in his opinion the Contractor:

- a) has abandoned the Contract, or,
- b) has failed to execute the work with due diligence or expedition, or,
- c) refuses or neglects to comply with any repeated orders of at least 03 times given to him in writing by the Business Head in connection with the work, or,
- d) has contravened the provisions in the Contract including timely supply of equipments, Mining, generation of desired output as per the tender specifications, or,
- e) has failed to remove the materials from the site or to pull down and replace the work within 14 days after receiving from the Mines Manager's written notice that the said materials or work have been condemned and rejected by the Manager, or,
- f) is not executing the works in accordance with the Contract or is persistently or flagrantly neglecting to carry out his obligations under the Contract, or,
- g) has to the detriment of good workmanship or in defiance of the Manager's instructions to the contrary sub-contracted or assigned any part of the Contract, or,
- h) has contravened any Mines safety regulation or environmental regulations or Labour regulations in vogue from time to time, the Employer, after giving fifteen (15) days notice in writing to the Contractor may terminate the Contract at the Risk and Cost of the Contractor. After the expiry of the fifteen (15) days, the Manager shall then enter upon the site and the Works and expel the Contractor there from, without releasing the Contractor from any of his obligations or liabilities under the Contract and without affecting the rights and powers conferred on the Employer or the Engineer by the Contract.

22.2 The termination of the Contract as stated above may be either for whole or part of the Contract at the Employer's option. In the event of the Employer terminating the Contract in the whole or in part, BSLC may engage alternate contractor/contractors on such terms

and in such manner as it deems appropriate, to the extent possible to be executed by any other Contractor to get the desired output of targeted quantity. The Contractor shall be liable to pay to the Employer any extra amount incurred or to be incurred by the Employer by engaging alternative Contractors. Such recovery however shall not absolve the Contractor from his obligations under the Contract; to the extent it is not terminated.

22.3 Payment for unlifted sized Dolomite ore to the crusher as on the date of termination of Contract:

The Engineer/Manager (Mines) after the termination of Contract will assess the quantity of sized Finished Products produced by the Contractor at the mines without lifting to the crusher, the payment for the same will be 50% of the rates of the Contract.

22.4 Termination of Contract by the Contractor: If the Employer commits any act of Insolvency or if the Employer shall be adjudged an insolvent or shall make an assignment or composition for the benefit of the greater part in number or amount of his Creditors or shall have an order made against him or pass an effective resolution of winding up either compulsory or subject to the supervision of the court or voluntarily or if the official assignee of the Employer shall repudiate the Contract or if the official assignee or the liquidator in any such winding up shall be unable within 14 days after notice to him requiring him to do to show to the reasonable satisfaction of the Contractor that he is able to carry out and fulfill the Contract and to make all payments due and to become due there under and if the work be stopped for three months or more at a stretch under the order of the Engineer or by an injunction or other order of any court of law for reasons not attributable to the Contractor then and in any of the said cases the Contractor subject to provision contained in Clause 16.3 hereof shall be at liberty to determine the Contract by notice in writing to the Employer through the Engineer/Manager (Mines)/Business Head and he shall be entitled to recover from the Employer payment for all the finished products (sized Dolomite) as per the Tender/Contract/Agreement/LOA/Work Order.

In arriving at the amount of such payment, the rates contained in the Contract shall be followed. Provided always the Employer shall not be liable for payment of any claims or losses arising on account of suspension or stoppage of work under force majeure circumstances beyond the sum payable for the work already executed. No payment will be made whatsoever towards cost of any Equipment & Machineries etc., thereof, which will be the property of the Contractor.

23.0 FORCE MAJEURE:

23.1 If at any time during the continuance of the Contract, the performance in whole or in part by either party or any obligations under the Contract shall be prevented or delayed by reason of

any war, hostilities, act of public enemy, civil commotion, sabotage, fire, floods, explosions, epidemics, quarantine restrictions ,strike, lock-out, restriction of electrical power, judicial pronouncements, Statutory Notifications/Orders, any order from Statutory Authority or Indian Railways preventing /restricting the mining, production & dispatch of minerals and Acts of God (hereinafter referred to as 'Events') and provided notice of the happening of any of the above mentioned Events duly certified by Competent Authority in case Events occur in India is given by either party to the other within twenty-one (21) days from the date of occurrence thereof, the Employer shall have the right by reason of such Events to terminate the Contract without however, affecting the right to any claim for damages on the Contractor in respect of such non-performance or delay in performance. However, in the event of the Employer having agreed, the generation of finished products under the Contract shall be resumed after such Events have come to an end/ceases to exist. Should one or both the parties be prevented from fulfilling their contractual obligations by a state of force majeure lasting continuously for a period of at least four (4) months and the Employer not having terminated the Contract by that time, the two parties should consult each other regarding the further implementation of the Contract. If no mutually satisfactory arrangement is arrived at within a period of two (2) months from the expiry of four (4) months referred to above, the Contract shall be deemed to have expired at the end of the six (6) months starting from the date of commencement of Force Majeure date. The above mentioned expiry of the Contract will imply that both the parties have obligations to reach an agreement regarding the winding up and financial settlement of the Contract.

No payment will be made whatsoever towards cost of any Equipment, Machineries etc., thereof, which will be the property of the contractor.

- 23.2 The above mentioned force majeure Events shall not include constraints which could prudently be foreseen like shortage of power, non-availability of raw materials, difficulties in making transport arrangements etc.
- 23.3 The above mentioned force majeure Events shall not also include similar events happening in the works of the sub-Contractors / suppliers etc., of the Contractor.
- 23.4 The Contractor shall resume the work as soon as practicable after such eventuality has ceased to exist of which the Company shall be sole judge.

24.0 RIGHTS OF EMPLOYER TO VARY AND/OR ALTER THE SCOPE OF THE CONTRACT:

- 24.1 The Employer shall have right to vary and/or alter the extent, scope and/or technical parameters of the Work, provided that such variations and/or alterations fall within the general scope of Work and the Contractor shall be bound thereby.
- 24.2 Any amount to be allowed in respect of such variations and/or alterations effected by the Employer under this Clause shall be added to or deducted from the Contract Price as the case may be. The Employer may call for documents, vouchers, analysis, etc. of such works and the Contractor shall forthwith furnish the same to fix up the value of such works which shall be mutually agreed upon.
- 24.3 The Employer may at any time temporarily stop the Work under the Contract or any part thereof by notice in writing to the Contractor. All Work so stopped shall be resumed by the Contractor based on a schedule to be mutually agreed upon between the Employer and the Contractor.
- 24.4 The Employer will not pay the Contractor for any work done during the period of such temporary stoppage and the Employer will not be liable to the Contractor for any damages or loss caused by such stoppage.

25.0 LIMITATION OF LIABILITY / INDIRECT CONSEQUENTIAL DAMAGES

- a) The Contractor shall not be liable for any indirect consequential losses and
- b) The aggregate liability of the Contractor to the Employer, whether under the Contract, in tort or otherwise, shall not exceed the total consideration arrived at by multiplying the contracted item rate/rates with the volume of finished products generated (as per the specifications given in the tender document) which will be restricted to total Contract Price, with applicable price variation, if applicable as per Clause No.17.7.

However, in cases of criminal negligence or willful misconduct, limitation of liability mentioned above shall not apply and the entire liability shall be borne by the defaulting party and it shall include consequential losses.

26.0 SETTLEMENT OF DISPUTES & ARBITRATION:

- 26.1 **Disputes to be finally determined by the Engineer/Mines Manager/Business Head:** In case of any difference of opinion with respect to the decisions, opinions, directions, order, certificates or valuation of the matters or any part of the matters under the Contract, the matter should be mutually settled and the decision of Business Head will be final. However, if the decision is not acceptable to the Contractor, this may be settled through Arbitration with the approval of Managing Director of BSLC.
- 26.2 **Settlement of Disputes by Arbitration:** If any dispute is not settled amicably between the Contractor and Business Head of BSLC as per Clause No.26.1, then, all such disputes and differences whatsoever arising between the parties out of or relating to the Contract, meaning and operation or effect of this Contract or the breach thereof shall be settled by Arbitration. Each party shall appoint its arbitrator; the two arbitrators so appointed shall appoint the third arbitrator who shall be the presiding Arbitrator. The arbitration shall be governed by the provisions of Arbitration and Conciliation Act 1996 and the statutory modifications to the said Act. The award made in pursuance thereof shall be binding on the parties.

The further progress of any work under the Contract shall unless otherwise directed by the Engineer /Manager (Mines) / Business Head Continue during the Arbitration proceedings and no payment due or payable by the Employer shall be withheld on account of such proceedings. It shall not be open to Arbitrators to consider and decide whether or not such work shall continue during the Arbitration proceedings.

Provided further that no reference to Arbitration whether the Final Bill for the work has been passed or not shall be made later than 6 months from the date of satisfactory completion of the work under the Contract.

No Interest Shall be awarded By The Arbitrator in any arbitration proceedings.

The Arbitrator's fee, expenses and all other costs and other expenses relating to the holding of arbitration shall be borne by both the parties equally. However, the fees and expenses of the advocates and expenses relating to the presentation of witnesses shall be borne by the respective parties. Should the arbitrator give specific award in respect of costs then it would prevail.

The Arbitration bench shall make a reasoned award.

The venue of Arbitration shall be at BSLC, Kolkata, India.

In case the Contractor is Government of India Undertaking or any Government Department, dispute between the Contractor and the

Employer in respect of this Contract shall be settled in accordance with the procedure laid down from time to time by Department of Public Enterprises (DPE)/Government of India.

27.0 NON-WAIVAL OF DEFAULTS:

27.1 Failure of the Employer to insist upon strict performance of any terms and conditions of the Contract will not be deemed a waiver of any rights or remedies that the Employer may have and will not be deemed a waiver of any rights for any subsequent default under the terms and conditions of the Contract. No right or remedy of the Employer will be exclusive of any other right or remedy and Employer will have all rights and remedies given under the Contract and in law or by statute in force and amendments thereto. The execution by the Contractor or receiving of or payment by the Employer for the job under this Contract will not be deemed a waiver of any rights for any prior failure by the Contractor to comply with any of the provisions of the Contract.

28.0 FINAL BILL / LAST MONTH'S BILL

Final Bill / Last Month's bill for the work done will be recommended by Engineer / Manager (Mines) for release of payment excluding Security Deposit after certification that, the Contractor has fulfilled all the contractual obligations and has complied with all the liabilities with respect to provident fund, minimum wages, bonus, retrenchment benefits, and adequate compensation towards accidental injuries / death etc., to the respective workmen engaged by the said agency. Final Bill / Last Month's bill will be released by Finance Department within 90 days of receipt of completed set of certified bills. Security Deposit will be released after completion of 180 days from the completion of contract period.

29.0 RISK & COST:

In the event of failure to fulfill the contractual obligations as per Work Order/Agreement /Contract, the Company reserves the right to make the contractual obligations carried out by alternative arrangement at the sole Risk and Cost of the Contractor and the Company shall recover from the Contractor any additional cost involved therein or losses suffered due to the fault or negligence of the Contractor. The Security Deposit amounts of the agency shall be liable to be forfeited in case of failure to execute/complete the job as per Contract Agreement/contractual terms & conditions within Contract period or within such extended period approved by the management.

(Note: Submission of any forged /fake document(s) will attract legal action including rejection of tender or cancellation of contract at the risk and cost of the contractor if awarded and forfeiture of EMD / Security Deposit).

PRICE ADJUSTMENT DUE TO VARIATION

1.1 **The Base Date of the Contract Price is _____ (last date of submission of tender or last date for submission of Revised Price Bid, if any, whichever is later).**

1.2 **Change in price** will be given on account of change in price of diesel and rate of minimum wages as per the formula given below. This Escalation/de-escalation effect will be given to the original awarded rate. The escalation bills will be processed monthly.

1.2.1. For Diesel:-

$$V = [0.20 \times (Pr - Pb) \times R] / Pb$$

Where V= Escalation/de-escalation in awarded Rate per unit of measurement on account of change in price of Diesel.

0.20 = Diesel component in the awarded job

Pr=Revised rate of diesel (Average rate of 1st date to 30/31st of the month) (As diesel rate is changed daily.)

Pb=Rate of diesel on Base Date (as on date of opening of the price bid).

R= Gross value of work done on the basis of contract rates for the period for which variation is applicable.

1.2.2. For Minimum Wages:-

In case of any statutory revision in the minimum wages payable to contract workmen as notified by the Regional Labour Commissioner (Central), Bhubaneswar Escalation shall be paid as per the following formula :

$$V = 0.10 \times \frac{W \times (X_r - X_o)}{X_o}$$

WHERE:

Where **V**= Escalation/de-escalation in awarded Rate per unit of measurement on account of change in Minimum Wages.

0.10 = **Labour component in the awarded job**

W = Gross value of work done on the basis of Contract rates during the month.

X_r = Revised Weighted Average Minimum Wages as on 1st day of the month (for Unskilled, Semi-skilled and Skilled categories of Workers) based on the minimum wages as notified by the Regional Labour Commissioner (Central), Bhubaneswar

X_o = Existing (on the basis which tender estimate is prepared) Weighted Average of Minimum Wages on the Base Date (opening of price bid) for Unskilled, semi-skilled and skilled categories of workers and which is based on the minimum wages notified by Regional Labour Commissioner (Central), Bhubaneswar

NB: Labour component will be maximum up to 0.10 or Actual wages paid whichever is less

1.2.3 ELECTRICITY:-

Electricity will be supplied free of cost by BSLC

1.2.4 EXPLOSIVE: -

Explosives will be supplied by BSLC and the cost of explosives will be borne by the agency.

1.3 EFFECTIVE DATE:

1.3.1. Revision on a/c of wages: - If the minimum wage rate is revised on the first day of a month, escalation /de-escalation effect shall be given effect for the whole month; otherwise effect will be given from the following month.

1.3.2 .Revision on a/c of Diesel: - As the diesel rate is revised daily, than average diesel rate will be calculated from 1st date of the month to 30/31 st of the month for calculation of diesel escalation. (Total of the daily revised rate /30 or 31 days.) High Speed Diesel (HSD) Price at nearest outlet at Birmitrapur, duly certified by Oil Marketing Companies / Authorised Agencies / Authorised Dealers will be considered in this regard.
